

Ready to get your incentive? Follow these 3 simple steps.

Step #1: Confirm the details

- » You are a residential electric customer of an UP Energy Innovations Collaborative member.
- » Items were installed or purchased between May 1, 2023 and December 31, 2025.
- » Review sections and individual measures for eligibility requirements.

Step #2: Attach a copy of your receipts and invoices

- » Provide a copy of a recent utility bill.
- » Please provide copies of all receipts and/or invoices from product purchases or installations.
- » Your receipt or invoice must clearly indicate the equipment type, make/manufacturer, model, price, and date of purchase or installation.
- » For equipment requiring licensed contractor installation, include an invoice from the installing contractor detailing equipment installed and marked paid in full.

Step #3: Get your incentive

- » Completed documentation must be received within 60 days of installation.
- » For the full program Terms and Conditions, please refer to page 6 of the application.

Important Information

1. Incomplete applications cannot be processed for payment.
2. Applications must be received within 60 days of purchase and/or installation of measures.
3. Notification of problems with incomplete applications will be sent via email or U.S. Mail.
4. Applicants will be given 60 calendar days to respond before application is deemed ineligible.
 - For ENERGY STAR heat pump water heater rebates, you must provide (1) a copy of the equipment invoice showing date of installation, and (2) specification sheets that clearly state the features and/or efficiency rating of the unit(s), with your application form.
 - For central A/C, central air-source heat pump, and mini/multi-split heat pump rebates, you must provide the AHRI Certificate.
 - Smart thermostats must control an HVAC system with central A/C and/or electric heat.
5. A rebate check will be mailed to you for qualified products. Please allow 4 to 6 weeks to receive your rebate check from the time your application is received by the Energy Innovations Collaborative Residential Program.

Terms and Conditions

This offer is valid only for UP Energy Innovations Collaborative members' residential electric customers for a limited time. Offer is good while funds are available and is on a first-come, first-served basis. Program begins May 1, 2023, and ends December 31, 2025. Completed documentation needs to be received within 60 days of purchase/installation date or December 31, 2025, whichever is earlier.

Offer valid on central air conditioning systems ≥ 15 SEER (SEER rating is based on AHRI certificate, not the invoice or spec sheet), central air-source heat pump systems ≥ 15 SEER, mini/multi-split air source heat pumps ≥ 18 SEER, central air conditioning tune up, and ENERGY STAR heat pump water heater (EF ≥ 2.0). Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment.

Products must be new and operational. Refurbished products are not eligible for rebates. Rebates not applicable to new construction. Offer redeemable by mail, email or fax.

The UP Energy Innovations Collaborative reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price. Ineligible rebates are subject to denial or repayment to program. The program is not responsible for applications lost, damaged or not received. Call 906.226.0573 to find out more about how you can save energy and money.
